UPUTE: Počinjemo s pitanjem: Gdje stavljamo kapu? Pokazujemo na glavu, DIJETE imenuje: glava. Zatim počinjemo rečenicu: Kapa na _____ (pokazujemo na glavu, DIJETE treba imenovati: „Glava“). Na kraju DIJETE za nama ponavlja: „Kapa na glavu“ – po mogućnosti, koristite stvarne predmete koje možete pokazati DJETETU i staviti ih na sebe ili na dijete kako bi još bolje upamtilo sadržaj.
